"When we initially booked this room we did not expect to be going to visit friends and family we never knew we had! Axel, Vicky, Chloe, and Judi and Choupette (their adorable rabbits) provided us amongst our top travel experiences together. The family was kind, welcoming, and the experience was **no simple AirBnb-like visit**. Rather, a fun and genuine experience, exchanging ideas, laughs, good meals, games, and movies. In the name of the Vegvisits spirit, we wholeheartedly recommend Axel and Vicky as hosts."
